BRIEF NEWS OF OREGON

Oregon Agricultural college defeat-
ed the Multnomah Club in the dual
track meet at Corvallis by the score
of 73½ to 57½.

Pacific University defeated the Uni-
versity of Puget Sound in the annual
debate at Forest Grove by a unani-
mous decision of the judges.

Between 6000 and 7000 Lane county
school children and their parents par-
ticipated in the educational rally day
exercises in Eugene Sunday.

Union will be the magnet for hun-
dreds when the sixth annual Union
Livestock show will be held in that
city June 4, 5 and 6. There will be
races and band concerts.

The girls of the 1914 graduating
class of the La Grande public schools
are establishing a precedent in that
the expensive graduation dress cost
is to be limited to \$5.

After an inspection of the hopyards
of Salem, Louis Lachmund, dealer in
hops, said that the 1914 crop would
be from 20 to 25 per cent less than
last year's crop.

The contest by the forest service
against Hercules Sautoine, now in
Portland, for a homestead in Joseph-
ine county, has been settled in favor
of Sautoine.

Representative Hawley has applied
to the board of engineers for permis-
sion to extend the wharf at Port Or-
ford, damaged by rough weather. The
board will make an investigation be-
fore announcing its decision.

Dr. Withycombe received 750 out of
a total of 873 votes cast for all candi-
dates for governor in the city of Cor-
vallis. He received 16 precincts
heard from out of the 22 in Benton
county 944 votes of 1179 votes cast
for all candidates for governor.

Senator Chamberlain has introduced
a bill amending the act to authorize
construction of a dike on Olalla slough
authorizing the construction on founda-
tions already laid or farther up the
stream of a dike with a gate for pur-
poses of navigation, the plans to be
approved by the secretary of war.

The Indian appropriation bill, re-
ported to the senate, contains the fol-
lowing Oregon amendments: Appro-
priation of \$100,000 to purchase live-
stock, farm implements, seed, etc., to
enable Warm Springs Indians to be-
come self-supporting. Fifteen thou-
sand dollars for an addition to the as-
sembly hall at the Chemawa school.

An offer of \$50,000 was refused by
Mrs. Mella C. Brown, Eugene woman
inventor, for the patent obtained three
weeks ago on a sanitary milk cap. The
offer came from Denver capitalists.
She is preparing to place the article
on the market. Instead of slipping
into the top of the milk bottle, the cap
is convex in shape and slips over the
top.

The Pender murder case, famous in
Columbia county for its two long trials
is soon to be argued again, this time
before the supreme court. Pender, on
a second trial, was found guilty at St.
Helens last January of killing Mrs.
Daisy Wehrman and her infant child,
and was sentenced to be hanged in
March, when an appeal stayed execu-
tion.

The postoffice at Amity was robbed
Friday night. The robbers entered by
means of skeleton keys. The safe was
opened by nitro glycerine, the charge
used being heavy enough to blow the
safe to pieces and to move the front
wall of the building, which is a frame
one, outward two inches. The robbers
secured about \$100 in money, but left
other valuables, including stamps and
registered letters, untouched.

Between 65,000 and 70,000 acres of
land located in Grant, Umatilla, Baker
and Walla counties have been desig-
nated by the federal government as
subject to entry under the enlarged
homestead act. All of this land is, or
is supposed to be, of semi-arid charac-
ter, non-mineral and containing no
timber. It will be subject to entry
June 1 of this year, where vacant and
public.

Out for the purpose of fighting state
wide prohibition, as a matter of pro-
tection to the hop industry, represen-
tative hopgrowers of the Willamette
valley met at Salem and perfected the
organization of the Hopgrowers' and
Dealers' association of Oregon. Be-
sides making the temporary organiza-
tion permanent, the hopmen elected
a vice president for each of the hop-
growing counties, and in those coun-
ties a county organization will be ef-
fected for the purpose of localizing
the efforts of the association.

Marshfield society is in a hubbub
over the "social highwayman" procliv-
ities of an unidentified member of the
local "four hundred." For several
months matrons and others, who have
attended "500" games, at homes, com-
plimentaries and other similar func-
tions, have been missing jewelry, mon-
ey and other valuables. The social
functions were attended solely by wo-
men and so the credit for the lifting
goes to a feminine Raffles. Two and
two and four and four have been put
together and the losers and others
now believe they have spotted the
guilty party, yet they speak the name
only in an abstract way and mention
it to those they know won't tell.

We Are Offering HIGH ART SUITS

Men's & Young Men's Suits at

\$13.50

We could tell you many nice things about them. In short compare them with suits offered by others at \$20.00. You'll see the point in a minute. The \$13.50 price is not in Particular a Special Sale. Its the only price on them---no more---no less---can buy them. It's all you'll be asked for them---it's the only price we'll take for them and in buying you'll save the difference between \$20. and \$13.50.

BOYS' SUITS

We've just received 100 boys' suits. Knickerbocker, Norfolk, Patch-Pocket, 2 pant suits. These are in addition to our regular spring purchase. We bought them solely because we bought them under price. Hence

\$4.45

A suit in place of \$6.50 which would be the going price. Last but not least. This is an all wool store. Nothing else in clothing comes in or out. There are two kinds of merchandise---good and poor. We aim to carry the good. We aim to furnish it at the price of the other.
